## YouScan connector for Creatio

### Setup guide

1. Register for your free demo of YouScan [here](#).
2. Install “YouScan connector for Creatio” from the Marketplace.
3. Provide your YouScan account manager (or YouScan support team) with your Creatio domain address (i.e., <http://01001-crm-bundle.creatio.com>) and ask him to activate the integration for you.
4. In YouScan mention stream, use sharing option with “Send to CRM” button when you want specific mention to be sent to your Creatio as a lead.
